How to Get Set Up to Vote at the Senate Meeting Using TurningPoint

You have two options for mobile voting once you have a TurningPoint account set up.

Option 1: Use the TurningPoint App on a smartphone (recommended) – allows you to watch/participate in the meeting on your computer and vote on your phone.

Option 2: Use a web browser to vote – you will have to switch between tabs on your computer to watch/participate in the meeting and vote.

Option 1 – TurningPoint Smartphone App

- Available for Android & Apple Users
- Go to https://www.turningtechnologies.com/turningpoint-app/
  - Google Play Link
  - App Store Link
- Once the TurningPoint App has been downloaded, you must sign in with your UMD email and the password that you used to set up your TurningPoint account.
- You will then be asked for a Session ID with a Join Session button – The Session ID for the meeting will be **Senate2020** but it will not work until the start of the meeting.

Option 2 – Voting Through a Web Browser

- Go to https://ttpoll.com
- In the upper right-hand corner, Click on **Sign In**.
- Sign in using your UMD email and the password that you used to set up your TurningPoint account.
- You will then be asked for a Session ID with a Join Session button – The Session ID for the meeting will be **Senate2020** but it will not work until the start of the meeting.
