

Procedures & Guidelines for Virtual Senate Meetings

If you have any trouble accessing the meeting via Zoom, voting via TurningPoint, or if you experience other problems during the Senate meeting, please email senatemeetinghelp@umd.edu for support.

Join Zoom to Attend the Senate Meeting:

1. Please **DO NOT** connect to VPN before you join the meeting. VPN is not intended for systems such as Zoom so it will add unnecessary encryption that will slow down the process.
2. **All Senators and other members of the campus community MUST [sign-in at umd.zoom.us](https://umd.zoom.us) using their UMD directory ID and password first before clicking on the meeting link or you will be put in a waiting room and may not be admitted into the Senate meeting based on guidance from the Division of Information Technology to avoid Zoombombing.**
3. Once logged in, go to the Zoom link for the Senate meeting:
<https://umd.zoom.us/j/95631422018?pwd=YnRrQ1dRT2lrZDJuN3JxbjJFakx5QT09>
4. If you plan to connect to Zoom with the Zoom desktop app:
 - Go to the Zoom desktop app and click **Sign In**.
 - On the right-hand side select **Sign in with SSO** and enter **umd** before zoom.us (umd.zoom.us) and click **Continue**.
 - When you see the pop-up window, select **Open zoom.us**.
 - Click on the **Join** button and enter the **meeting ID: 956 3142 2018** and the **Passcode: 638327**
5. Once logged into Zoom, please click on "**Participants**" at the bottom of the screen and note the location of the "**Raise Hand**" and "**yes**" features at the bottom of the Participants window.
6. To help preserve bandwidth, please turn off your personal video unless you are speaking.

At the start of the Senate Meeting, join TurningPoint to vote during the Senate Meeting:

7. Go to either your mobile device TurningPoint app or web browser <https://tppoll.com/> and sign in with your University email address.
8. You will then have to log in with your directory id and password through the University's CAS login.
9. Once logged in, enter **senate2020** as the Session ID and click **Join Session**. (**Please note that you will not be able to join until the meeting has started.*)

Quorum:

10. Before we can start the Senate meeting, we must reach a quorum of Senators in attendance.
11. There will be a slide to take attendance electronically through TurningPoint.
12. Senators should press/click the circled **1** on the bottom of their mobile device/web browser to mark themselves as "Present" for attendance and quorum purposes. **The circled 1 will become a teal filled in 1.** Once you indicate that you are present, **you do not need to press/click it again.**
13. Once we reach the required quorum number, the Senate Chair will call the meeting to order.
14. Senators who miss the quorum slide, will still be counted towards attendance through Zoom's attendance feature.

General Guidelines During the Senate Meeting:

1. The Zoom meeting will be recorded, as is our practice for all Senate meetings.
2. Participants will all be **muted** on entry and can only be unmuted by the Senate Chair.
3. Video will be enabled on entry for all participants and participants can choose to use video or disable video.

4. The chat feature will be **DISABLED** during the Senate meeting.
5. The Senate Chair will lead the meeting and moderate all discussions.
6. Only Senators, those introduced by Senators, or committee members whose report is being presented at the time, may speak.
7. The Senate Staff will add an asterisk before the name of each Senator in Zoom to assist the Chair in identifying Senators.
8. Those who wish to speak must use the “**Raise Hand**” feature at the bottom of the Participant window on Zoom.
 - The Senate Chair will unmute speakers when she is recognizing them to speak. **[Zoom now requires that we ask speakers to unmute so please unmute when requested on your screen in order to speak.]**
 - Speakers **MUST** state their **name, constituency, and unit** for the record each time they speak.
 - After speakers complete their comments, they will be muted again and their hand will be lowered.
9. If a Senator wants to introduce a non-Senator to speak, both the Senator and non-Senator must use the “**Raise Hand**” feature on Zoom.
10. Senators who wish to make a motion that is in order when someone else has the floor, **such as a point of information to get additional context or a point of personal privilege to report potential zoombombing**, should click on the **coffee mug feature** in Zoom, which can be found in the participants window by hovering over the “**More**” option.

Voting with TurningPoint During the Senate Meeting:

11. All Senate votes are anonymous except for the attendance slide.
 - For each action item, Senators will select **1 if they are in favor; 2 if they are opposed; and 3 if they wish to abstain**. Once the voting is complete, the results will display on the screen and on the mobile device/web browser.
12. If there are any additional motions during the meeting, they will follow the same convention as #7 above.
