

OFFICE OF THE CHANCELLOR

May 24, 2021

Dr. Darryll Pines
President
University of Maryland, College Park
Office of the President
Main Administration Building
College Park, MD 20742

Dear Darryll,

Thank you for forwarding the request of the University of Maryland, College Park for substantial modification to the existing Master of Public Health (M.P.H.) to offer a new Area of Concentration (A.O.C.) in Health Care Management. I understand that the substantial modification to the curriculum will not change the current credit structure of the program and will better align with the expectations of students who are interested in health care administration and of two professional accrediting bodies in the field of Public Health.

I am pleased to approve this action. I have confidence that the substantial modification to the Master of Public Health will meet with much success.

Sincerely,

Jay A. Perman
Chancellor

Cc: Ann G. Wylie, Interim Senior Vice President and Provost
Antoinette Coleman, Associate Vice Chancellor for Academic Affairs
